

These are the guidelines for the Internal Signage systems used on Culham site.

This system uses spandex materials and parts.

All vinyl text and slats are colour matched to the UKAEA corporate pantone colours.

The typeface used is Frutiger Bold at cap height "16 mm" with standard letter spacing applied.

250 mm

**K1 0.83**

16 mm **Stuart Morris**

Powder Coated White

**Chad Heys**

37 mm

**Andy Cooper**

**Mark Woollard**

Powder Coated Blue Ral 5003 to match corporate blue: Pantone 540c
